

PROFILE OF POPULATION RESEARCH CENTRE

(An Establishment of the Union Ministry of Health and Family Welfare, Govt., of India)

University of Kashmir, Hazratbal, Srinagar – 190006

(NAAC Re-accredited Grade A⁺)

An establishment of Ministry of Health and Family Welfare (MoHFW), Govt., of India, 'Population Research Centre (PRC)' is a multi-disciplinary research Centre. The Centre's major areas of research are on demographic issues, socio-economic aspects, population sciences and health.

Name of the Research Centre	:	Population Research Centre (PRC)
Faculty/Department/Centre	:	Centre is an establishment of the Union Ministry of Health & Family Welfare (MoHFW), Govt., of India
Date of Establishment	:	22. 08. 1985
Authority of Establishment	:	University Council Meeting Decision: 09. 06. 1985
Administrative order No	:	F. 2(3) PRC/Dev/85 dated 22. 08. 1985

Mission:

The mission of the Centre is to conduct the high-quality research in population sciences including focus on evaluation of policies and programmes on health and family welfare in India.

Vision:

The vision of the PRC is to conduct high-quality multidisciplinary research on population composition, demographic change and health policies and programmes in India.

The PRC aims to be recognized as premier organization for monitoring and evaluation of National Health Mission (NHM) of India to provide insights for programme implementation and course-correction at District, State and National level.

Moreover, the PRC boosts its contribution in academic programmes of its University by teaching and capacity building of students, young researchers and programme officials at District, State and National Level.

The PRC actively seek collaboration with national and international organizations to advance research on several cutting-edge areas in population sciences including innovative methodologies for surveys and data collection.

The overall vision of the PRC is to be recognized as a dynamic organization and a Centre of excellence on population health policies and programmes in India.

General objectives of PRC:

Population Research Centre (PRC) has the following general objectives:

1. To conduct the research in population sciences; and assist the MoHFW and the State Government with policy inputs and feedback on population and health issues;
2. To regular evaluation and monitoring of National Health Mission(NHM), and other health and family welfareprogrammes and Schemes;
3. To conduct Large Scale Pan-India Demographic and Health Surveys like National Family Health Surveys (NFHS) and Longitudinal Aging study of India (LASI); and
4. To streaming/data validation of Health Management Information System (HMIS) and DH Ranking.

Specific objectives of PRC:

1. To provide an independent and objective assessment of the working of National Family Health and Welfare programmes/schemes and their impact in the **Union Territory** of Jammu & Kashmir;
2. To undertake the research studies on various socio-economic, demographic and communicable as well non communicable diseases; and
3. To undertake the research studies on the thrust areas specific to the **Union Territory** of Jammu & Kashmir.

Research Infrastructure of PRC:

The Centre has well established library which has a rich collection of books on variety of topics related to demography, population studies, public health, research methodology, quantitative techniques, tribal demography, and women's issues. Besides, the library houses several research reports in the field of population, health and family welfare from National and International agencies.

The required demographic and statistical software packages like SPSS, CS-pro and STATA are available with the Centre. The Data sets from DHS, Census, NSSO, NFHS, LASI and SRS are also procured by PRC and extensively used for research purposes.

The Centre has a highly configured and well established **Census Workstation** which will help the faculty, research scholars and students to get micro-level Census data of national level.

Besides, a 'Digital Population Clock' has been installed by the Centre at the main Gate (**Maulana Rumi Gate**) of the University, which displays live population figures of India and Union Territory of Jammu and Kashmir.

Staff Strength of PRC as per schedule of establishment

Faculty of PRC:

No	Name of the Faculty	Designation	Specialization/Area/subject
1.	Syed Khursheed Ahmad	Assistant Professor (Coordinator)	Statistics/Research Methodology
2.	Vacant	Associate Professor	Nil

Research Staff of PRC

No	Name of the Faculty	Designation	Specialization/Area/subject
1.	Dr. Mohammad Ibrahim Wani	Research Investigator	Population Studies/Demography
2.	Vacant	Research Investigator	
3.	Mr. Jaweed Ahmad Mir	Field Investigator	Economics/RCH
4.	Vacant	Field Investigator	
3.	Dr. Showkat Anwar Bhat	Research Fellow – I	Development Economics
4.	Vacant	Research Fellow – II	

Office Staff of PRC:

No	Name of the Faculty	Designation	Specialization/Area/subject
1.	Mr. Wasim Hassan Bhat	Upper Division Clerk	Accounting, Public Financial Management System (PFMS), Government e-Market (GeM) and Office Management
2.	Vacant	Lower Division Clerk	Nil
3.	Ms. Sameena Ahad	Multitasking	Nil

Summary of workdone

S. No	Workdone	Year	Number
1.	Research projects completed since 1991 to till date;	1991 – 2023	263
2.	Research projects completed from 2018 to till date;	2018 – 2023	118
3.	Ongoing Research Projects of PRC;	2024 – 2025	05
4.	Research Papers Published by the Faculty from 2018 to till date;	2018 – 2023	
5.	Book Chapters Published by the Faculty from 2018 to till date;	2018 – 2023	
6.	Large Scale Survey Conducted from 2018 to till date;	2018 – 2023	
7.	Monitoring of large Scale Surveys from 2018 to till date;	2018 – 2023	
8.	Trainings Programmes conducted from 2018 to till date;	2018 – 2023	
9.	Training Programmes attended by Faculty from 2018 to till date;	2018 – 2023	
10.	Census work Station with advanced facilities;	2018 – 2023	
11.	Number of references available in the PRC Library;	1991 - 2023	1189
