

PRESENT POSITION OF THE CENTRE

Name of the Research Centre: **Population Research Centre (PRC)**

Faculty/Department/Centre: **The Centre is an establishment of the Union Ministry of Health & Family Welfare (MoHFW), Government of India.**

Date of Establishment: **22 – 8 – 1985**

Authority of Establishment: **University Council Meeting Decision: 09-06-1985**

Administrative order No: **F. 2(3) PRC/Dev/85 dated 22 – 8 – 1985**

STAFF STRENGTH (AS PER SCHEDULE OF ESTABLISHMENT):

a) Faculty Strength of the Centre:

The Centre has only two sanctioned faculty positions in which one post of Associate Professor is fell vacant following the superannuation of Mr. Bashir Ahmad Bhat. Thus, inadequacy of staff in the Centre is very apparent. Despite this, the Centre makes best efforts to deliver on its stated objectives.

A brief profile of the faculty is as under:

S. No	Name of the Faculty	Designation	Subject/Discipline/Area
1.	Syed Khursheed Ahmad	Assistant Professor	Statistics <ul style="list-style-type: none">❖ Mental Health Issues;❖ Health Policies of J&K; and❖ Nutrition and Child Health.❖ NHM Schemes and Programmes.
2.	Bashir Ahmad Bhat (Retired on 31-12-2023)	Associate Professor	Population Sciences <ul style="list-style-type: none">❖ Maternal and Child Health;❖ Demographic and Health Surveys;❖ Aging;❖ NHM Schemes and Programmes.

Note: Vacant faculty positions, if any: **No.**

b) Research Staff Strength:

The Centre has six sanctioned strength positions of research staff and all these positions felt vacant following the superannuation of these positions. However, one (01) Research Assistant is working on contractual basis since August 2001 and one (01) Research Investigator and one (01) Research Fellow are currently working on contractual basis since July 2022. Thus, inadequacy of staff in the Centre is very apparent. Despite this, the Centre makes best efforts to deliver on its stated objectives. A brief profile of the research staff strength is as under:

S. No	Name	Designation	Work allotted
1.	Farida Qadri (Retired on 31-09-2023)	Research Assistant	Data collection, Data Entry, Tabulation, Monitoring of National Health Mission
2.	Jaweed Ahmad Mir	Research Assistant (contractual)	Data collection, Data entry, Tabulation, Monitoring of National Health Mission
3.	Mohammad Ibrahim Wani	Research Investigator (contractual)	Data collection, Reporting Writing, Drafting of Reports, Monitoring of National Health Mission.
4.	Showkat Anwar Bhat	Research Fellow (contractual)	Data collection, Monitoring of National Health Mission

c). Administrative Staff Strength:

The Centre has sanctioned strength of two administrative positions including UDCs and LDCs in which one post of UDC is currently working on contractual basis and the post of LDC felt vacant following the superannuation of the staff member since Oct., 2021. Thus, inadequacy of staff in the Centre is very apparent. Despite this, the Centre makes best efforts to deliver on its stated objectives. A brief profile of the administrative staff is as under:

S. No	Name	Designation	Work allotted
1	Wasim Hassan Bhat	Upper Division Clerk (Contractual)	Accounting, Handling Of PFMS, GeM, FTS and all Office related activities.
2.	Sameena Ahad	Peon	Multi-tasking

Vacant Positions, If Any; Number And Since How Long:

S.No	Designation	No. of vacant Positions	Description
1	Associate Professor	1	The post is vacant since January, 2024
2	Research Investigator	2	The post is vacant since 2019 (currently One post of Research Investigator is working on contractual basis since July 2022);
3	Research Assistant/ Field Assistant	2	The post is vacant since Oct., 2001 (currently One post of Research Assistant/Field Assistant is working on contractual basis since July 2001);
4	Research Fellow -II	1	The post is vacant till date.
5	UDC	1	The post is vacant since August 2017 (Currently the post is working on contractual basis since Nov., 2022);
6	LDC/Typist	1	The post is vacant since 2020
7	Peon	1	Post Vacant

SPECIFIC OBJECTIVES OF THE CENTRE:

The Population Research Centre (PRC) which was established in 1985 with the following specific objectives:

1. To provide an independent and objective assessment of the working of National Family Health and Welfare programmes and schemes and their impact in the **union territory of Jammu & Kashmir**;
2. To undertake the research studies on various socio-economic, demographic and communicable as well non communicable diseases; and
3. To undertake the research studies on the thrust areas specific to the union territory of Jammu & Kashmir.

GENERAL OBJECTIVES OF THE CENTRE:

The Population Research Centre (PRC) which was established in 1985 with the following general objectives:

4. To conduct the research in population sciences; and assist the MoHFW and the State Government with policy inputs and feedback on population and health issues;
5. To regular evaluation and monitoring of National Health Mission(NHM), and other health and family welfare programmes and Schemes;
6. To conduct Large Scale Pan-India Demographic and Health Surveys like National Family Health Surveys (NFHS) and Longitudinal Aging study of India (LASI),
7. To streaming/data validation of Health Management Information System(HMIS) and DH Ranking; and
8. To mentoring the MD students of Community Medicine from SKIMS and GMC Soura, Srinagar.

ACHIEVEMENTS SINCE LAST FIVE YEARS:

1. **Syed Khursheed Ahmad**, Assistant Professor and Jaweed Ahmad Mir, Research Assistant attended four days' workshop on PIP Monitoring during 27-30 June 2022 at NHSRC New Delhi. The programme was organized by MoHFW in collaboration with NHSRC New Delhi.
2. **Syed Khursheed Ahmad**, Assistant Professor, and Bashir Ahmad Bhat, Associate Professor attended Training Workshop on "National Guidelines for Data Quality in Surveys", during August 17-18, 2022 at Bengaluru. The programme was organized by MoHFW in collaboration with the Population Council, New Delhi and ICMR-National Institute of Medical Statistics.

3. **Syed Khursheed Ahmad**, Assistant Professor, attended IASP Regional Conference of Northern States during 27-28 September, 2022 at Kashmir University Srinagar. The conference was organized jointly by IASP and PRC Srinagar.
4. **Syed Khursheed Ahmad**, Assistant Professor, attended 7th Knowledge Dissemination Workshop of PRCs during 19-20 October, 2022 at Kashmir University Srinagar. The workshop was organized jointly by MoHFW and PRC Srinagar.
5. **Bashir Ahmad Bhat**, Associate Professor attended the “National Workshop on HMIS and RCH Portal” organized by the Ministry of Health and Family Welfare, Government of India at Vigyan Bhavan during 11th – 12th January, 2023.
6. **Bashir Ahmad Bhat**, Associate Professor and Syed Khursheed Ahmad participated in PRC Scientific and Advisory Committee (PSAC) Meeting held at Poovar Resort, Kerala during 11- 12 April, 2022. The meeting was organized by PRC, Kerala and Statistics Division, Ministry of Health and Family Welfare, Government of India.
7. **Bashir Ahmad Bhat**, Associate Professor Participated in Programme Management Unit Meeting of Population Research Centres held at PRC-CRRID, Chandigarh during 15-17 June, 2022 and presented the Annual Work Plan of PRC Srinagar.
8. **Bashir Ahmad Bhat** Associate Professor Attended Regional Workshop to Disseminate key finding of NFHS-5 for North Zone comprising states/UTs of Haryana, Himachal Pradesh, Jammu & Kashmir, Chandigarh, Ladakh and Punjab at Chandigarh on 28th June 2022 at Hotel Mount View, Chandigarh. The seminar was organized by International Institute of Population Sciences (IIPS), Mumbai and the Ministry of Health and Family Welfare, Government of India.
9. **Bashir Ahmad Bhat** Associate Professor attended "Northern Regional Conference 2022 of the Indian Association for the Study of Population jointly organized with Population Research Centre, University of Kashmir", organized by University of Kashmir, from 29-09- 2022 to 30-09-2022.
10. **Bashir Ahmad Bhat**, Associate Professor Attended in the 7th Knowledge Dissemination Workshop held at Population Research Centre, University of Kashmir, Srinagar during 19- 10-2022 to 20-10-2022 and presented a paper on “Trends in Contraceptive Use and Method Mix among Muslims in India, 1992-2020”. The paper was adjudged as the best paper and was awarded the First Prize.
11. **Bashir Ahmad Bhat**, Associate Professor participated in the XXVII IIPS National Seminar 2023 on 75 Years of India’s Demographic Change: Processes and Consequences at Institute of Social and

Economic Change Bangalore February 23-25, 2023 and Paper presented a paper entitled “Correlates of Method Mix of Family Planning among Muslims in India”.

12. **Bashir Ahmad Bhat** Associate Professor, Mohammed Ibrahim Wani, Research Investigator and Showkat Anwar Bhat Research Fellow participated in the PRC Scientific and Advisory Committee Meeting organized by MOHFW, New Delhi & PRC Lucknow at the University of Lucknow during 28th February-1st March 2023 at Lucknow.

13. **Bashir Ahmad Bhat** Associate Professor and Syed Khursheed Ahmad, Assistant Professor participated in the PSAC meeting and Training on Large Scale Data Analytics held at International Institute for Population Sciences (IIPS), Mumbai during 27–29 March, 2023.

Conferences Organized During 2022-23:

Population Research Centre in collaboration with the Indian Association for the Study of Population organized the Northern Regional Conference of the Indian Association for the Study of Population at the University of Kashmir on the theme of “**Population, Development and Health in Northern India: Status and Challenges Ahead**” during 29-30th September, 2022. The conference was instrumental in bringing together social scientists working on population and health across India.

By exploring various population and Health issues, i.e., Family Planning, Reproductive and Sexual Health, Morbidity, Nutrition, Population ageing, Migration, Urbanization, Covid-19 and Data Quality issues, this conference pinpointed the current scenario and causal relationship of population, health and development. Along with this, it also gave an outline of efforts to improve in all these areas in the future. The Conference was attended by more than 40 delegates across India and 40 local participants also participated in the deliberations of the technical sessions. There were 3 plenary, 62 sessions and 8 Technical sessions. Around 40 research papers were presented during the two-day conference.

Workshops Organized During 2022-23:

Population Research Centre in collaboration with Ministry of Health and Family Welfare(MoHFW) organized the 7th Two-day Knowledge Dissemination Workshop of PRCs at the University of Kashmir, Srinagar during 19th – 20th October, 2022. The workshop was attended by the authors of the papers selected for presentations, senior officials of the Ministry, faculty members of the University of Kashmir and 4 subject experts. In this workshop, around 25 research studies were presented before a

panel of experts. The experts reviewed the research papers presented in the Workshop for content, methodology, presentation, results and conclusions and gave valuable suggestions to all paper presenters for improving the quality of the research papers.

Population Research Centre in collaboration with the International Institute for Population Sciences (IIPS) organized a “**Half-Day Dissemination Workshop**” of National Family Health Survey – 5(NFHS-5) Findings pertaining to Jammu and Kashmir on 29th September, 2022. The NFHS-5 coordinators presented the various findings pertaining to fertility, reproductive and child health, infant and child mortality, family planning, rising C-section, nutrition of children, anemia among men and women, adult health, health insurance, HIV/AIDS and women’s empowerment. Besides, the faculty and students from various departments/Research Centres of the University, the workshop was attended by the senior officials of the Mission Director of National Health Mission (NHM), Directorate of Health Services J&K, faculty members, research scholars of Kashmir University and media persons.

Participation in Workshops during 2021-22

1. The faculty and the Technical staff of the PRC attended the Online Training Programme for PRCs by IIPS on Sampling Design for Large Scale Surveys from 18th May - 18th June, 2021.
2. **Bashir Ahmad Bhat** (Associate Professor) and Syed Khursheed Ahmad (Assistant Professor) attended a Virtual Meeting on 18th June, 2021 regarding Quick Survey on Community Perspectives towards COVID-19 Vaccination in India.
3. **Syed Khursheed Ahmad**, Mr. Jaweed Ahmad and Mrs. Shahida attended an Online Training Session for usages of GeM portal on 25th June, 2021.
4. **Syed Khursheed Ahmad**, Mr. Jaweed Ahmad and Mrs. Farida participated in the conduct of an online survey in Budgam district on Community Perspectives towards COVID-19 Vaccination in India during 26-30 June, 2021.
5. **Bashir Ahmad Bhat**, Associate Professor participated in a debate on the eve of World Population Day on 11th July 2021 on All India Radio Srinagar.
6. **Jaweed Ahmad Mir** Research Assistant and Mrs. Shaida (LDC) participated in an orientation Programme on the Implementation of PFMS organized by the Directorate of Finance, University of Kashmir Srinagar on 29-30 September, 2021.

7. **Bashir Ahmad Bhat** Associate Professor participated in the **first** Technical Advisory Committee Meeting of Sub-Group II on Finalization of National Family Health Survey6 (NFHS-6) Questionnaire on 08-09-2021.
8. **Bashir Ahmad Bhat** Associate Professor participated in the **second** Technical Advisory Committee Meeting of Sub-Group II constituted by the MoHFW for the Finalization of National Family Health Survey-6 (NFHS-6) Questionnaire on 08.09.2021.
9. **Bashir Ahmad Bhat**, Associate Professor participated in the 6th Knowledge Dissemination Workshop of PRCs Seminar organized by the Population Research Centre, Gokhale Institute of Economics and Politics, Pune during March 4-5, 2022 and presented a paper entitled “A Study of Cesarean Section Births in Jammu and Kashmir”. **The paper was awarded the first prize by the jury.**
10. **Bashir Ahmad Bhat**, Associate Professor participated in the Golden Jubilee Conference of IASP in Virtual Mode Nov 26-28, 2021 and presented a paper entitled “A Study of Cesarean Section Deliveries in Jammu and Kashmir” in the second plenary session.
11. **Bashir Ahmad Bhat**, Associate Professor participated in the Golden Jubilee Conference of IASP in Virtual Mode Nov 26-28, 2021 and presented a paper entitled “Implementation of Prevention, Screening & Control of Non-Communicable Diseases Programme by Health and Wellness Centres in Jammu and Kashmir” on 28.11.2021.
12. **Bashir Ahmad Bhat**, Associate Professor participated in the XXIX International Population Conference (IPC2021), held virtually from 5-10 December 2021 and presented a paper “Trends and correlates of caesarean section births in Jammu and Kashmir” on December 9, 2021.

Participation in Workshops during 2020-21

1. **Bashir Ahmad Bhat** Webinar on new “Tools to assess the quality of mortality statistics from civil registration and methods to estimate the true impact of COVID using vital Statistics data” organized by IASP, New Delhi on August 21, 2020.
2. **Bashir Ahmad Bhat** Attended UNFPA launch and dissemination of its study titled “Sex Ratio at Birth in India Recent Trends and Patterns” presented by Prof. P. M. Kulkarni on 30-07-2020.
3. **Bashir Ahmad Bhat** and **Syed Khurshed Ahmad** attended a series of meetings in connection with the IIPS-PRC Collaborative Research Project entitled “Access to and Utilization of RCH Services during Covid-19 Pandemic: A Multi-centric Study during July-December, 2020.

4. **PRC** Organized a Workshop on the Implementation of PFMS/EAT Module in collaboration with Directorate of PFMS, Jammu and Kashmir at PRC, Srinagar for the staff of the University of Kashmir on 28-9-2020.
5. **All faculty** and Technical staff of the PRC attended online workshop on 'Orientation of new HMIS website' organized by MoHFW, Statistics Division, on 11 September, 2020.
6. **The Faculty** and Technical staff attended an online Training programme organized by IIPS, Mumbai during July-September, 2020.
7. **Bashir Ahmad Bhat** attended the 41 Annual Conference of Indian Association of the Study of Population (IASP) from 28-11-2020 to 30-11-2020 through virtual platform.
8. **Bashir Ahmad Bhat** attended Technical Deciphering of NFHS-5 Results: Methodological Perspectives on December, 24 2020, organized by International Institute for Population Sciences, Mumbai.
9. **Bashir Ahmad Bhat** attended a webinar on Covid-19 from Public Health Perspective on 17 October, 2020 at 4 pm organized by International Institute for Population Sciences, Mumbai.
10. **Syed Khursheed Ahmad** participated in a Workshop on 'CS-Pro Batch Editing and Cross Tabulation' organized by PRC Dharwad for the staff of PRCs involved in PRC-IIPS collaborative project on 30 December, 2020.
11. **Bashir Ahmad Bhat**, Associate Professor participated in the 5th Knowledge Dissemination Seminar Meeting organized by the Population Research Centre, University of Lucknow (UP) at Lucknow during 1-2 March, 2021 and presented a paper entitled "Concurrent 18 Evaluation of Prevention, Screening and Control of Non-Communicable Diseases Programme by Ayushman Bharat Health and Wellness Centres in Jammu and Kashmir".
12. **Bashir Ahmad Bhat** participated in the IIPS International seminar 2021 on Pandemic and Population Dynamics organized by International Institute for Population Sciences in virtual mode during 18-20 March 2021 and presented on behalf of the collaborators a paper entitled "Antenatal care service utilization during Covid-19 Pandemic-Preliminary findings of the IIPS-PRC multi-centric study".
13. **Syed Khursheed Ahmad** participated in the IIPS International seminar 2021 on Pandemic and Population Dynamics organized by International Institute for Population Sciences in virtual mode during 18-20 March 2021.

14. **Bashir Ahmad Bhat** attended the 19th Prof. C. Chandrasekhran Memorial Lecture organized by IIPS Mumba on 26th February, 2021. The lecture was delivered by Prof. Arvind Panday on the topic “Models to Study Birth Intervals and Parity Progression Ratios”.

Participation in Workshops/Seminars/Webinars during 2019-20

1. **Bashir Ahmad Bhat** (Associate Professor), Mr. Syed Khursheed Ahmad (Assistant Professor), Mr. Imtiyaz Ahmad (Research Investigator) and Mr. Jaweed Ahmad (Research Assistant) attended Orientation Work shop for PRC Staff Members organized by MoHFW during May 30-31, 2019 at Vigyan Bhawan New Delhi.
2. **Bashir Ahmad Bhat** (Associate Professor), presented a paper entitled “Prevalence and Correlates of Hypertension in Jammu and Kashmir” in the 4th Knowledge Dissemination Workshop organized by PRC Patna at Patna University during 16-17th January 2020.
3. **Syed Khursheed Ahmad** (Assistant Professor) presented a paper entitled “Appraisal of ASHA Scheme in Jammu and Kashmir” in the 4th Knowledge Dissemination Workshop organized by PRC Patna at Patna University during 16-17th January 2020 and was awarded **the 1st Prize**.
4. **Syed Khursheed Ahmad** (Assistant Professor) attended a Workshop on "Users workshop on introduction of new HMIS website” organized by Ministry of Health and Family Welfare, (GoI), at PRC Lucknow from 22-24, May 2019.

MONOGRAPHS AND RESEARCH STUDIES COMPLETED TILL DATE:

The Centre has completed more than 247 research projects so far on various Demographic, Health and Socio- economic themes. The complete lists of these studies/projects are as under:

S. No	Authors	Title of Study	Type of study	Year
1	Syed Khursheed Ahmad, Mohammad Ibrahim Wani, Jaweed Ahmad Mir and Showkat Anwar Bhat	Functioning of NCD Clinics under the National Programme for Prevention and Control of Non communicable diseases(NP-NCD)	Multi-Centric	2023-24
2	Syed Khursheed Ahmad and Showkat Anwar Bhat	Socio-economic Correlates of Tuberculosis in Jammu and Kashmir	Secondary	2023-24
3	Jaweed Ahmad Mir and Showkat Anwar Bhat	Trends and Correlates of Anemia Prevalence among Women in Jammu and Kashmir	Secondary	2023-24

PLAN OF ACTION FOR NEXT FIVE YEARS (2024-28):

The Centre has submitted the proposal to Ministry of Health and Family Welfare (MoHFW) to undertake following research projects in the next five years:

1. Prevalence of Mental Health problems and Treatment seeking behavior among school going adulterants in Jammu & Kashmir;
2. Performance of Home Based young Child (HBYC) Programme in Jammu & Kashmir;
3. Prevalence of Anemia among pregnant Women in Jammu and Kashmir: An Evidence from NFHS-5;
4. Status of Service Delivery of UPHCs in the union territory of Jammu and Kashmir: An Evidence from HMIS Data;

5. An Analysis of Health Infrastructure and Service Delivery among various levels of Health Facilities in the union territory of Jammu and Kashmir: An Evidence from HMIS Data;
6. An Assessment of Nutritional Rehabilitation (NRCs) Centres established in the union territory of Jammu and Kashmir;
7. Efficiency Assessment of Maternal Health Services in the union territory of Jammu and Kashmir: A Data Envelopment Analysis (DEA).

Besides, these studies, the Centre has allotted around 15 Programme Implementation Plans of NHM including 2 in union territory of Jammu and Kashmir, 2 in union territory of Ladakh and 11 in Haryana State.

OTHER INFORMATION:

Besides the routine activities, the Centre offers consultancy services to various agencies for evaluating developmental programmes in the union territory of Jammu and Kashmir. The Centre also acts as a data bank on health and population for the faculty members, research scholars and students of the University of Kashmir, other Universities and institutes of the UT.

Extension activities: During the field survey, the research staff screened children for anemia, height and weight. Men and women are screened for hypertension, Blood Sugar, LFT, Vision, HIV, grip strength and balance test and those found positive are referred to appropriate health facility for treatment.

Any other, please specify: Staff of the PRC is also involved in the Training of Medical Officers, NHM Programme Management Staff in HMIS. During the field visits, the PRC staff also provides awareness with regard to various communicable and non communicable diseases to the community people at large.

Above all, the Centre collaborates with UNICEF, United States Aid for Development (USAID), National Council for Economics and Applied Research (NCEAR), International Institute for Population Sciences (IIPS), National AIDS Control Organization (NACO), and Planning Commission for the conduct of socio-economic, demographic and health surveys in the union territory of Jammu and Kashmir.
