

Digital Population Clock of PRC

The Centre has installed a digital population clock at the “Rumi Gate” of the University of Kashmir in August 25th, 2023 in collaboration with the Ministry of Health and Family Welfare (MoHFW), Govt., of India. The digital clock displays the demographic figures of the country in general and the union territory of Jammu and Kashmir in particular. This displayed information will help the stakeholders, scholars and demographer in framing the policy implication of Jammu and Kashmir with regard to health issues.
